Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

It really seems like Spring is in the air with the lighter nights and warmer weather - lots of blossom on the trees and we're feeling very positive about the last few weeks up to Easter. We've got Parents' Evening next week - please do sign up for an appointment with your child's class teacher so that they can share all the hard work and progress that's happened since the Autumn term meetings. Looking forward to seeing you in school next week.

Liz Latham
