

Task 4 - Prepositions

A preposition is used to tell the reader **where** something is.

Write about what you can see in the picture using **prepositions**.

Add as many **noun phrases** as you can.

For example:

The lamp is **between** the **dusty, heavy** book and the **beautiful, shiny** vase.

Examples of prepositions: **Beside, on, under, over, next to, in, between, below, above, behind**

Extra challenge:

Rewrite a sentence and change the preposition.
