Paper 3: Reasoning

| First name |  |
| :--- | :--- |
| Last name |  |
| Class |  |
| Score | $/ 35$ |

## Instructions

You may not use a calculator to answer any questions in this test.

## Questions and answers

- Follow the instructions for each question.
- Work as quickly and as carefully as you can.
- If you need to do working out, you can use the space around the question.
- Do not write over any barcodes.
- Some questions have a method box like this:

|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |

- For these questions, you may get a mark for showing your method.
- If you cannot do a question, go on to the next one.
- You can come back to it later, if you have time.
- If you finish before the end, go back and check your work.

## Marks

- The number under each line at the side of the page tells you the maximum number of marks for each question.

$24 a \quad 4 a+3 b=50$
When $a=5, b=$

1 mark

24b $m$ is a whole number that is greater than 5 and less than 10 $n$ is a whole number that is greater than 20 and less than 30

What is the smallest number $m \times n$ can be?

1 mark

## Key Stage 2 SATs

## Mathematics Test Mark Scheme

Paper 3: Reasoning
The instructions and principles of this mark scheme closely
follow the guidance in the 2016 national curriculum tests.
We have deliberately not set a limited time for the test paper
as a teacher may want to vary it according to the standard
individual children are working at.
The national curriculum test allows 40 minutes to complete
this test.

## Demand Descriptors

$\mathrm{T}=$ Working towards expected standard
$\mathrm{E}=$ Working at expected standard
$G=$ Working at greater depth within expected standard

## Balance of difficulty of questions in the paper

5 marks at working towards
24 marks at the expected standard
6 marks at working at greater depth

## Thresholds

Working towards the expected standard: Criteria for 'working at the expected standard' have not been met.
Working at the expected standard: at least 10 of the 24 'expected' marks are obtained, together with all 5 of the working towards marks, but none of the 6 marks graded 'greater depth'. This mark is 15 out of 35 .
Working at greater depth: all of the 5 working towards marks are obtained, plus at least $90 \%$ of the 'expected' marks and at least $50 \%$ of the 'greater depth' marks. This mark is 30 out of 35 .
