

## Writing instructions

Go outside and make a wonderful potion from all the different things you can find. For example, grass, leaves, dandelions, daisies etc.

Remember exactly what you have used and how you made it.

Now write the instructions on how to make your potion. Maybe somebody in your family can follow your instructions and make it too.

Have fun!

**Tip:** Have a look at the checklist below and remember to include everything on it. Also, there is a word mat to help with the bossy verbs.
