

An Afternoon Tea Menu

Yesterday, you read two different menus for afternoon tea. There were lots of different foods to enjoy on them and we hope you found something you liked!

Now, it's your turn to make your own menu for you and your family! Think about what each of you might like and remember to include your sandwiches and your cake ideas too!

Don't forget to decorate them nicely like the menus you saw and maybe you might be able to make something on your menu!
