The Linking Network

Earlier on in the year, we were very lucky to get to go on a Linking School visit. We got to meet with another school for the day and enjoyed lots of activities!

This week, we would like to hear about what you thought!

Today – you are going to be thinking about how you felt so that tomorrow you can write about it!

First, think about how you felt when you knew you were going to meet a new school. You might feel nervous as they were new people!

Next, what was your favourite part of the day? Which activity did you like best?

Finally, is there anything you would like to share? Any ideas of what they could include next year?

The Writing Task

Yesterday, we thought about how the Linking Project made us feel and what we liked about it and today we are going to write.

When you start writing, remember all of your super ideas yesterday!

Don't forget your punctuation and spelling!

We can't wait to hear all about your trip!
