

Mrs Richards' Gryffindor Maths Group Instructions (week beginning 1-6-20)

1) Please have a go at the 'fluent in five' activities this week (three arithmetic questions per day).

2) Also have a look at the following White Rose Maths lessons for the next week. They are all about Multiplication. Please find the related video links for each lesson below.

- Monday: Video: <https://vimeo.com/418150502> then complete the activity on multiplication sentences using the symbol (see Lesson 1 pdf saved in this folder).
- Tuesday: Video: <https://vimeo.com/417922235> then complete the activity on arrays (see Lesson 2 pdf saved in this folder).
- Wednesday: Video: <https://vimeo.com/417922431> then complete the activity on the 2 times tables (see Lesson 3 pdf saved in this folder).
- Thursday: Video: <https://vimeo.com/417922557> then complete the activity on the 5 times tables (see Lesson 4 pdf saved in this folder).
- Friday: Play 2 or 5 times tables matching game (choose correct answer for each multiplication – you can print and cut out if you like) and/or practise your times tables on TT Rockstars.

Have fun!

Mrs Richards 😊
