

Mrs Richards' Gryffindor Maths Group Instructions (week beginning 8-6-20)

1) Please have a go at the 'fluent in five' activities this week (three arithmetic questions per day).

2) Also have a look at the following White Rose Maths lessons for the next week. They are all about Multiplication and Division.

- Monday: Video <https://vimeo.com/420582220> then complete the activity on the 10 times tables (see Lesson 1 pdf saved in this folder).
- Tuesday: Video <https://vimeo.com/420582354> then complete the activity on sharing (see Lesson 2 pdf saved in this folder).
- Wednesday: Video <https://vimeo.com/420582476> then complete the activity on grouping (see Lesson 3 pdf saved in this folder).
- Thursday: Video <https://vimeo.com/420582652> then complete the activity on odd and even numbers (see Lesson 4 pdf saved in this folder).
- Friday: Play 2, 5 and 10 times tables loop cards game (print out and match each clue with correct answer – like dominoes) and/or practise your times tables on TT Rockstars.

Have fun!

Mrs Richards 😊
