### Principal's Message

*We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.*

*I hope that you and your families are all well.*

*As you may be aware, we opened the Academy to more pupils at the beginning of this week - it was truly wonderful to see many of our Year 6 pupils back at school. In addition to this, we now have many more pupils using the key worker childcare provision.*

*You'll know of the Government announcement this week that it is now not expected for all pupils to be back before the summer holidays - we will keep you updated about any changes or plans via Twitter, this newsletter and the website. Groupcall will also be used to send reminders and information.*

*Please be assured that we will continue to work towards all guidance so that when your child does return to school, all safety measures will be in place.*

*Please do check that we have the correct contact details for you to ensure we can keep you updated*

*Take care.*

*Liz Latham*

**As a school we are following Government guidelines to stay safe.** <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

**Very well done to the following pupils who need a 'shout out' for their superb work on Purple Mash – do keep logging on as teachers are working hard to set and mark work and give feedback to pupils.**

**F2: For amazing Monster or Gruffalo paintings on Purple Mash..... Kaiden, Mohammadjafar, Olivier and Casey.**

#### Year 1

Super star efforts from Marcel, Jorane, Joshua, Bartosz, Lilly M, Alicja, Macie, Rhea, Tyger-Drew, Sofia-Elena, Maddison- well done!

#### Year 2

Fantastic place value work.... Abdulkarim, Addi, Ismael  
Fantastic postcard writing with great spelling and punctuation...Jagoda and Imogen.

#### Year 3

**Awesome work from Amelija, Adam, Ashley, Aamaani, Jaikan, Romeo, Juneid and Lucas. For working hard, responding to marking and giving everything a go even when it's a bit tricky – Bartosz, Alana and Angel.**

#### Year 5

Great work from Jessica, Skye, Emile, Kian, Leila, Charlie S, Nancy. Emile produced a super description of a creepy wood, including 2 pieces of personification!  
Zak has gone above and beyond - doing extra and emailing work he has done on paper too. His effort is commendable and he is still learning! Dorothy – working hard and asks for extras! She has also blogged to the class and this week she was selected by her swimming club to move up to the Regionals - she is really proud and so are we! Zainab is doing everything to a high standard and has blogged to the class about her family celebrations for Ramadam too - a great way for us to learn and celebrate with her. Patryk has done lots every day - including things he isn't so keen on! His little comments really make his teacher smile! Well done to all.

**Did you see your message from some of the staff at Queensmead? If you haven't seen it yet, it's definitely worth a look:**

**If you know of a family who do not receive newsletters it may be because we don't have their correct email address – please encourage them to get in touch to update us with this vital information. Many thanks.**
