Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

Firstly, thanks again for your ongoing support. Like us I suspect many of you are frustrated about the lack of a return to school for many pupils before the end of term. Please be reassured that we will be doing everything we can to enable your children to make a swift and successful return to school, to support their well-being and to catch up on any curriculum requirements for the Autumn term.

You may be anxious about your child's transition to a new class - we will be in touch via email at the end of next week to let you know about the arrangements we're putting in place to ensure your child is as supported as possible to have a smooth transition. Unfortunately we have not been contacted about any possibility of a Summer School and are concentrating on preparing for wider opening for the Autumn term.

Please do be aware that during the summer holidays, teachers will not be providing online learning resources.

As always I will keep you updated as I receive information

Take care.

Liz Latham

Lots of fun activities going on in school with pupils enjoying the sunshine and hot weather. This amazing superhero outfit was made by Leila and Izzah?

Very well done to the following pupils who need a 'shout out' for their superb work on Purple Mash – do keep logging on as teachers are working hard to set and mark work and give feedback to pupils.

F1: Livia, Jax, Teddy, Reggie, Rahul, Prnil, Luca, Igor

F2: there is a shared F2 blog on Purple Mash for parents and pupils to leave messages for teachers – please do drop them a line!

Year 2: Great science work from Adeline, Imogen and Jagoda and Noah for maths work.

Year 4: Special mentions to Max, Vanesa, Kaylan, Kyran, Shalome, Sharma, Bailey and Jenson.

Did you see your message from some of the staff at Queensmead? If you haven't seen it yet, it's definitely worth a look:

If you know of a family who do not receive newsletters it may be because we don't have their correct email address – please encourage them to get in touch to update us with this vital information. Many thanks.
