Dear Parents / Carers,

We would like to introduce you to Dottie our adorable school therapy dog.

Dottie is a Cockapoo puppy, which are bred to be sociable dogs and are often used as therapy dogs as they are known to be good with children. The Cockapoo is a low/non moulting dog so the risk of an allergic reaction is minimised.

Dottie has been fully checked and insured and is currently undergoing training leading to a qualification as a therapy dog.

Dottie will live in the main office area of the academy for most of the day but on occasion may be taken around the academy to visit children. As she progresses with her training she will be timetabled to work with individual and/or small groups of pupils. At all times Dottie will be under adult control and will follow the QPA School Dog Policy and Guidelines. No child will be allowed to closely interact with Dottie unless permission has been given.

Please complete the slip below to give permission for your child to visit with Dottie.

Kind regards

Mrs L Latham
Principal
