

## QUEENSMEAD PRIMARY ACADEMY

# Year 5 - Curriculum prioritisation 2020/21

## Curriculum planning grid for the rest of 2020/21

Year 5

Map out your intended curriculum for the rest of the academic year, focusing on the ready-to-progress criteria that you have prioritised from your year group evaluation document. Consider consolidation and review of previously taught content, small group additional teaching for those pupils who need it, and whole-class teaching of new content that can be built upon secure prerequisite conceptual understanding (see [2020 DfE guidance](#) for further support).

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Summer 1			<i>Multiplying non unit fractions</i>  <b>5F-1</b> <i>Fractions of quantities</i>	<i>Decimal place value</i> <i>Decimals equiv to fractions</i> <b>5F-3</b> <i>% as part of 100</i> <i>Percentages of quantities</i>	<i>X 10, 100, 1000</i> <i>Divide by 10, 100, 1000</i> <b>5MD-1</b>  <i>Measures</i> <b>5MPV-4</b> <b>5MPV-5</b>	<i>Rounding nearest 10, 100, 1000</i>  <b>4MPV-3</b> <b>5MPV-3</b> <i>X 4 digit numbers by a 1 digit number</i> <b>5MD-3</b>	<i>Short division</i>  <b>5MD-4</b>

	Week 1	Week 2	Week 3	Week 4	Week 5
Summer 2	<i>Factors and multiples</i> <b>5MD-2</b>  <i>Area of rectangles and squares</i> <b>5G-2</b>	<i>Fractions revision</i>	<i>Y5 Assessment week</i>	<i>Angles</i> <i>Finding, measuring and drawing</i> <b>5G-1</b>	<b>Consolidation</b>
