Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

A very creative week in the Academy this week with the beautiful poppies to recognise Remembrance Day yesterday – I'm sure you'll agree that the trees look amazing. Thanks to all the staff who battled with the netting to get these looking so lovely! We also have Graffwerk Artists in school (the team who created the stunning mural in the playground) – Year 4 pupils are getting arty with them today with Year 3 having their turn next week. Liz Latham

As a school we are following Government guidelines to stay safe. <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

Covid Guidance

You will be aware that Covid is still in the local area, including our school community. We continue to keep measures in place to help our community stay as safe as possible and are grateful for you following all advice and guidance given.
