Braunstone Beats

COMMUNITY BAND needs **YOU!**

Please DON'T stop the music....

A new World Folk music inspired Community Band is being created in Braunstone by professional musician Jacquelyn Hynes and we would love you and your family, neighbours or friends to join us.

Can you play sax or bouzouki, tabla or tin whistle, harmonica or accordion? Or would you like to try keyboards or percussion?

Come and join us on a relaxed and friendly musical adventure. Together we will create a new piece of music which we will share in a super Summer performance.

All instruments and musical influences welcome
No experience is necessary!

GET IN TOUCH to register your interest and join one of our free taster sessions, taking place in local schools and at the BRITE Centre.
