Liz Latham
Queensmead Primary School
Winstanley Drive
LE3 1PF

Dear Mrs Latham

Eco-Schools Green Flag Award at Queensmead Primary School

I would like to congratulate you on achieving your Eco-Schools Green Flag Award with Distinction during the last academic year. In Leicester we now have 65 Green Flag Eco-Schools. You are part of an elite list of schools with fantastic environmental credentials.

We have high environmental ambitions for Leicester, especially around supporting environmental education in our schools. It's your hard work and dedication which makes your school stand out and which is helping Leicester achieve our environmental targets.

We are really pleased to see how much work you and the students have done to develop your eco-projects, eco-code and ensure that the whole school community is involved.

This is a fantastic achievement and really important to the work we are doing in Leicester to be more environmentally aware and take action during our climate emergency. Congratulations once again and keep up the great work!

Yours sincerely

Cllr Adam Clarke
Deputy City Mayor
Environment and Transportation
