

Small changes, big differences.

Triple P, Positive Parenting seminar (for parents of children 0-12 years): The Power of Positive Parenting

Most of the time, parenting is great fun. You know you are doing a good job - but there are times when things get a little tricky. Like when your toddler won't eat her dinner. Or your six-year-old won't pick up his toys.

Maybe your child never seems to listen. If only someone could give you some ideas to make those times easier! If this sounds like you, then Triple P Seminars may suit. No booking required, just turn up!
