Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

The lovely weather has finally arrived - we never know for how long! It's great to see pupils responding so sensibly to the sunshine by wearing caps/sunhats. Next week Year 6 are looking forward to their SATs and showing off all the hard work they've put in throughout the year. The revision clubs we've held both before and after school saw record numbers of pupils attending! Well done to them all and good luck for next week- not that you'll need it! Thanks again for all your support with our Ofsted inspection last week -very much appreciated. I look forward to sharing the results with you in due course.

Liz Latham

Attendance Counts Moments Matter

As you know, there is a link between regular attendance and success at school. It is also a legal requirement and we cannot stress enough the need to ensure that your child is in school, on time, every day. If you need support with this then please do contact the school office.

The overall attendance for this year is **94.5%**. The classes with the highest attendance Onjali Rauf with **99.2%**. Very well done
