Principal's Message

We want our school to be a place where we are safe, to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

The lovely weather is having a really positive impact on everyone - hopefully it'll continue to be lovely over the weekend!

It was great to see so many of you in school for Parents' Evening last week - a record number of parents arriving to hear lots of positive things about learning and progress. Teachers have tried to catch up with anyone who missed their appointment - if you missed yours and haven't yet caught up then please do speak to the class teacher. Thanks for all your support with this.

Liz Latham

Attendance Counts- Moments Matter.

It is vital to ensure that your child is in school, on time, every day. Please contact the school office if you need help with this as we may be able to offer support.

Overall attendance for this year is **95.0%**.

This is still below Government expectations which are 96%. We must work together to improve this.

The class with the highest attendance this week is Jonny Duddle with 100% - they will receive the Attendance cup and will be excited to display it in their classroom. Please do support your child to attend every day to ensure they get the best start to their education and can hopefully win the cup!
