Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

*It hardly seems possible that this is the last-but-one Newsletter of the year- only 2 weeks to go before we break up! Since the last newsletter, we've had lots going on in school - the Summer Fair on Wednesday was great fun where all the classes designed and created their own stalls including games, activities, crafts and food and drink - well done to all the classes who are in competition to see who could raise the most money! Thanks to everyone who attended and supported this event and apologies that information wasn't as timely as usual. We've also enjoyed some gloriously warm days in the woods with Year 6 as well as a trip to the Tower of London for our Superbloom project- see below for more details!

Superbloom Project

A trip to the Tower of London was enjoyed by the pupils involved in the Superbloom project – over the course of the year, pupils have worked hard to improve the school grounds with planting and bulbs. They were invited to the Tower of London to receive their award and had a great time admiring one of London's landmarks. Thanks to all involved in this great opportunity!

Attendance Counts- Moments Matter.

It is vital to ensure that your child is in school, on time, every day. Please contact the school office if you need help with this. Overall attendance for this year is **95.2%**.

This is still below Government expectations which are 96%. We must work together to improve this.

The class with the highest attendance this week is Satoshi Kitamura with 96.8% they will receive the Attendance cup and will be excited to display it in their classroom. Please support your child to attend every day to ensure they get the best start to their education and hopefully win the cup!
