Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

Welcome back to perhaps one of the shortest half terms ever -with only 4 weeks and one now done! The summer term is always full of fun and exciting things to get involved in for all year groups and all pupils. We'll also be asking you to get involved with planned theme weeks such as Enterprise and Careers Week and STEM week as well as the summer fair. Please do check the 'dates for your diary' so you and your children don't miss out on anything!

Liz Latham
