Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

Thank you so much for your support and sensible approach to the very hot weather we've had over the last few days - be assured that we always have the well-being, safety and welfare of pupils at the heart of everything we do and will always work in their best interests to adapt school life to every eventuality! That said, please do continue to apply sunscreen before school as well as sending your child in with a hat and water to keep them hydrated during periods of hot weather. We'll keep you updated via Arbor with regular information so that we can continue to work in partnership effectively with you to support your child's wellbeing in school.

Thanks also for your support with the school fair on Wednesday - more updates on the money raised for school funds soon.

In other news, please do take note of the few dates in school over the last couple of weeks so you don't miss anything!

Liz Latham.

Attendance Counts- Moments Matter

It is vital to ensure that your child is in school, on time, every day. Please contact the school office if you need help with this- we are happy to support if we can. The class with the highest attendance

this week is **Tom Fletcher with 96.7%**. Classes are very excited to win the attendance cup and competition is really fierce- you can help by ensuring your child attends school every day! Please do ring the office if your child is unwell so that we can keep records updated.

Living Streets- win £200!

As you know, we take part in WOW- the walk to school challenge from Living Streets. Pupils start the day walking, wheeling, cycling, scooting or doing Park and Stride.

Living Streets is asking parents and carers to complete a short survey about your school commute. Your feedback will directly shape how schools, councils and decision makers make routes safer and easier. Please take a moment to complete the survey:

<https://www.surveymonkey.com/r/parentWOW>

Everyone who completes the survey will be entered into a prize draw to win a £200 shopping voucher.

Young Marketeers success!
