

Foundation Stage 1 Curriculum overview for parents/carers

Autumn Term 2

QUEENSMEAD PRIMARY ACADEMY

Literacy

- *Continue learning to recognise their own name.
- *Explore opportunities to make marks in different ways e.g drawing, painting.
- *Begin to learn to write their own name.
- *Continue to listen to and join in with a range of songs, stories & rhymes.
- *Begin to be aware of simple rhymes & rhythm patterns.

Personal, Social & Emotional Development

All about me, my relationships & new beginnings

- * Become more confident with the routines in school.
- * Become more confident to chat to the adults and the other children.
- * Begin to extend friendships & respond to other children's play.
- * Begin to gain an awareness of similarities & differences through family life, celebrations & traditions.
- *Begin to take more responsibility for classroom equipment & their own clothing & belongings.

Mathematics

- *Be able to recite numbers to 5 or 10.
- * Count everyday objects such as children or bottles of milk, and also count actions such as jumps or claps.
- *Begin to recognise some simple numbers to 5 and beyond.
- * Learn counting & action songs using number names & language.
- * Explore & use 2D & 3D shapes to make pictures & models.
- * Explore language of measures e.g when comparing heights or weights of objects.

Physical Development

- * Continue to develop a range of big movements when exploring the outdoor area and activities.
- *Begin to talk about how their bodies feel when they have been running around.
- * Continue to develop fine motor skills through use of various tools and materials e.g scissors, tweezers, play dough, sticks & tongs.
- *Continue to practise good hygiene routines such as hand washing and keeping themselves healthy.
- *Explore ways of moving in different cultures such as Indian dancing & ring games.

Celebrations & Number Songs

This title will provide the stimulus for your child's integrated Foundation Stage Curriculum this term. They will be able to play and explore, take part in active learning, create and think critically.

These are the objectives that your child will be working on.

Expressive Arts & Design

- * Learn new rhymes and counting and action songs.
- * Explore a range of musical instruments and experiment with changing the sounds they make.
- *Explore and experience a range of media such as paint, collage, print.
- * Move & dance to music through action songs & ring games.

Communication and Language

- *Listen to others in a small group or whole class situation & offer their own ideas.
- *Listen to and join in with a growing repertoire of simple rhymes and number / action songs, being exposed to new words.
- * Have further opportunities to talk to others about various topics at snack time, e.g similarities & differences between friends, their own likes & dislikes.
- *Take part in daily phonics sessions based on sounds & singing.
- * Be able to follow simple instructions through activities such as crafts, cooking and making role-play resources.

Understanding the World

- * Talk about their own friends and family & their traditions.
- * Talk about others' celebrations and traditions.
- * Talk about the changes that happen around them, such as Autumnal changes and changes to foods when cooking.
- * Explore the computers and ipads, exploring a range of simple programs.
- * Use simple toys and machines such as the CD player or a toy microwave.

Learning to share at home

***Below are a number of activities that both you and your child could enjoy together allowing them to consolidate their learning by enforcing links between the classroom and the outside world.**

- Share a book with your child daily, making it a fun and special time. Encourage your child to tell you something they remember about the story.
- Encourage your child to look for numbers when you are out and about, e.g house numbers, numbers on buses.
- Provide regular opportunities for your child to count e.g when selecting sweets or biscuits, or counting steps when going upstairs.
- Encourage your child to make marks at every opportunity e.g by drawing a picture for a friend, writing their name in a birthday card, helping you with a shopping list, using chalks to draw on the path outside.
- Talk to your child about their school session – use the Click and Chat cards as a stimulus for them to tell you what they did.
- Encourage your child to recognise their name at every opportunity e.g write it on a card and stick it around the house.
- Talk to your child about Autumn changes and the changing weather on their times out and about with you.

HOME LEARNING AUTUMN TERM FOCUS - Talk for Number

***Encourage your child to count daily, this might be counting the stairs, their fingers, toys and food on their plates.**

***Talk about and compare small amounts, ask them who has more or fewer or the same.**

*** Encourage your child to notice numbers around them everywhere; on front doors, in shops, on buses and cars.**

Dates for your diary

- *Autumn Walk to Braunstone Park-Wed 23.10.19
- *Stay & Play: Phonics Workshop- Wed 6.11.19
- *Stay & Play: Number Workshop-Wed 27.11.19
- *Parents evenings Wed 6.11.19 and Thurs 7.11.19

Keep a lookout for...

**'Click and Chat' cards in your
child's book bags.**
