Principal's Message

We want our school to be a place where we are safe: to learn, have fun and work hard. A place where we are kind and mindful of everyone and have positive attitudes for our bright futures.

The new term has started well with a wide range of learning opportunities and exciting events planned. You have contributed an amazing amount of money to support a local charity (see further down this page) and pupils, as usual, have embraced the community by wanting to do extra to help - particular well done to the Y5 girls who are organising the cake sale later today and the Y6 girls who have plans to run a teddy swap to contribute even more - please see the link below if you'd like to add to the final total for Project Hive.

THE NATIONAL FOREST

National Forest Company and Leicester City Football Project

We are delighted to have been selected to take part in this joint project with Leicester City and the National Forest Company to run several sessions per week focusing on outdoor learning skills. Last week's session involved a campfire with marshmallows and today will be exciting things with nettles! A crew will be coming to film the session this week so watch this space for more evidence of our film-star status!
