LO: To use drama to explore feelings and reactions to an event

The aliens you created yesterday have now invaded Earth! In fact, they have invaded Leicester and their space craft has been seen hovering above Queensmead Primary Academy.

Imagine you are a news reporter and want to find out what has happened. Did they land? What were they like? Did they attack? Who would you interview? Mrs Latham, a school pupil, a local resident?

Create a list of 5 questions that you could ask to find out about the alien invasion and what has happened.

Write these in your book and then ask a member of your family to take part in a role play with you. Ask them the questions and note down their responses. Keep these to help with quotes in your report later this week.
