LO: To edit and improve my work.

You have written a newspaper report about the aliens you invented invading Leicester. But, it needs to be as good as possible.

Read through slowly and check:

Spellings

That no words have been missed out when writing

Capital Letters and Punctuation are correct.

Now, can you add:

A relative clause:

*The spaceship, **which was the size of a small house**, flew slowly.*

*The alien, **who had seven limbs**, escaped into the woods.*

A rhetorical question:

Where will they go next?

Are we safe from the aliens?

A fronted adverbial:

***Without a sound**, the craft soared away.*

***From behind the curtains**, Mrs Jones watched as the aliens ate the plants.*

A small picture with a suitable caption.

The aliens were spotted in the local bluebell woods

Well done. Great effort this week - remember Purple mash and check back on Monday for the next week of English.
